Gentle herbal formula for irritation relief

What's Inside

Paw Smooth Wound Healing Spray is a natural, pet-safe solution that promotes fast healing of minor cuts, rashes, and skin irritations. Its soothing formula helps prevent infections, reduces inflammation, and forms a protective barrier to keep wounds clean, moisturized, and comfortable. Ideal for daily use, it supports healthy skin regeneration while keeping your pet safe and at ease.

How to use

Spray directly on affected areas 2-3 times daily. Safe for all pets.

Crafted with nature's best herbal oils and plant extracts, Paw Smooth offers clean, calming pet care. Because when it comes to your pet's wellness, nature knows best.

Key Ingredients

- Neem**
Fights plaque and supports lasting freshness.
- Tulsi (Holy Basil)**
Tulsi prevents infections, reduces swelling, and speeds up healing with its antiseptic, antibacterial, and antifungal properties.
- Calendula**
Calendula promotes healing by reducing inflammation, preventing infection, and stimulating new skin cell growth.
- Turmeric**
Tulsi's antiseptic, antibacterial, and antifungal properties help prevent infections, reduce swelling, and promote faster healing.
- Aloe Vera**
Aloe Vera
- Rosemary**
Rosemary
- Oatmeal**
Oatmeal
- Echinacea**
Echinacea
